

Safety Guidelines for COVID-19

Private Music Pups® at The Music Playhouse of Chicago

For Families:

- As per State Ordinance, adults and children over 4 must wear masks at all times inside our studio. For backyard classes, masks may be removed once we are properly socially distanced.
- Social Distancing will be enforced. Please maintain a 6 ft distance from your teacher at all times and stay within your zone, as indicated by blue tape in our studio.
- Please do not rip up the blue tape.
- Do not attend if you have any COVID-19 symptoms, or have been in contact with a confirmed case. Please see "Cancellation Policy" for details.
- Please wash your hands upon arrival to our studio.
- We recommend you bring your own instruments. If desired, pre-sanitized instruments can be provided.
- Adults and children must wear socks. If you forget, socks are available for \$2/pair.

Our Promise:

- Your teacher will wear a mask while checking you in and out. Your teacher will wear a face shield during class.
- Your teacher will clean and disinfect all instruments, high-touch items, and surfaces between each class.
- Your teacher will practice frequent hand washing and sanitizing.
- Your teacher will reschedule or find a substitute if he or she is experiencing symptoms or has been in close contact with a positive case.
- We will keep doors open and fans running for proper air circulation and ventilation in our studio.
- In the event of a shutdown, your account will be credited for remaining classes.
- If desired, we will assign a pre-sanitized instrument kit just for your family.
- We are closely following the guidelines from the CDC and the Illinois Department of Health. We understand that this is a new virus, and as such, new discoveries are continually being made. Thus, changes may be necessary in light of new information.
